# The Power shifts to Customers.

# Not because They want to.

# It is because Technology offers the Opportunity to do so.

## **Eon ziet geen** toekomst in en zich richten op hernieuwbare energie, energieprojecten en energiedistributie. ste Energiewen 'Iedereen wil straks schone energie' et geen stroom uit mst in Maurits Groen, duurzaamheids-Hans van Cleef, financieel analist Peiling n uit consultant: Nuonen Essent fossiele bron le bron
